

## Music Lesson Ideas

How many songs can the children think of with "walk" in the title?

Think about using "walk" songs as "music of the week" or as links in a class assembly about walking to school. Here are some ideas:

"You'll never walk alone", "These boots are made for walking", "Walking on sunshine", "Doing the Lambeth walk", "A walk in the Black Forest", "Walking on the moon", "Walk like an Egyptian", "Just walking in the rain", "Walking in the air" (snowman music), "Walk 500 miles", "Everybody walk the dinosaur", "Walking to New Orleans", "Walk of Life"

If you feel really creative, use the tune but make up your own words, like this one adapted from 'Rock Around the Clock':

We're gonna' walk to school, walk to school and back  
We're gonna' walk, walk, walk 'coz we've got the nack!  
We're gonna' walk to school, walk to school and back,  
We're gonna' walk, walk, walk 'coz we're on track!  
We're gonna' walk, we're gonna' walk, we're gonna' walk to school and back!
